SUBJECT: Precinct and Election Night Reporting Forms

**- ATTENTION ELECTION REPORTING STAFF -**

Attached are two forms for Election Night Reporting preparations.

1. Election Precinct Form. This form is to report the number of reportable voting precincts countywide and by district that you will be reporting to us on June 3, 2008 for the Statewide Direct Primary Election. If the number of precincts listed is equal to 1000, we have not yet received an update to your precinct numbers for this election cycle.
2. Semi-Official Canvass Reporting Form. This form includes the contests to be reported to the Secretary of State for your county on election night.

**Review carefully** to ensure all contests pertinent to your county are included and **report any discrepancies** to us. We will send a new Semi-Official Canvass Reporting Form completed with the number of reportable precincts to be used for election night closer to the date of the election.

If you have questions about this information or other election night reporting matters, please call 1-888-VOTECAL or contact one of the SOS Election Night Reporting Team:
